

Rotary Club of Portland Corporate and Individual Sponsorship

The Rotary Club of Portland is asking corporations and individuals to become club sponsors for the upcoming year. As Rotarians, we pride ourselves on being People of Action focused on making our communities, both local and abroad, grow and improve. Among other initiatives, your support allows us to provide leadership development for students, fund high school scholarships and supply dictionaries to every third grader in our community. We are inviting you to show support by becoming a sponsor for your local Rotary. In doing so you will be making a great impact on our community. Below you will find a description of what is included at each sponsorship level.
